EXPERIENCE

ANIMAL SUPPLY COMPANY, Irving, TX

September 2023 – Present

Treasury Analyst

- Spearheaded daily financial reports, reducing processing time by 20% and increasing accuracy by implementing advanced Excel formulas. Presented reports to treasurer, CFO, and senior staff, contributing to an improvement in decision-making efficiency because of up-to-date financial metrics.
- Liaised with banks and lenders during audits and appraisals, ensuring the timely and accurate provision of up-to-date company financial information as well as managed and coordinated cross-functional teams, overseeing the delivery of key department metrics to these external stakeholders.

REPUBLICAN NATIONAL COMMITTEE, Washington, DC

September 2021 – December 2022

War Room Analyst

- Monitored and clipped videos of White House press briefings and administration officials TV appearances, tweeting 58 videos to the RNC Research Account, accumulating 12.8 million views and 12,000+ Retweets
- Optimized the rapid response process, streamlining communication between viewing and editing teams to post clips 30% quicker which increased social media engagement
- Conducted fact checking and in-depth research on politician's statements and interviews in order to combat misinformation, with this research being featured on four prime-time cable news shows

THE WHITE HOUSE, Washington, DC

January 2020 – April 2020

Intern, Office of Public Liaison

- Advanced The White House's agenda of ending sex trade by hosting 3 summits, connecting human trafficking victims and the Attorney General and the First Daughter
- Organized stakeholder and celebrity events for the White House to advance administration outreach and public image
